

## Application fields for SARAD-cameras

<b>application</b>	<b>type of camera</b>
1 Distance measurement in natural environment	SZK96, SZK97x later on base HDCAM
2 moved materials under staggering light proportions	MZK97x HDCAM, VHDCAM
3 Cognition (binary) moved objects by extrem light variation	LK2048
4 Astronomic observations	LK2048, HDCAM, VHDCAM, (MZK97x)
5 Wide measuring at speedy moved materials	HDCAM
6 Gap recognition at filaments or wires	HDCAM
7 Scanning medical films	VHDCAM
8 Scanning speedy moved objects	HDCAM, VHDCAM
9 trace of marks in natural environment (e.g. lane marks)	VHDCAM
